

Help Keep Public Spaces Safe and Accessible

To keep individuals safe and the public right-of-way accessible, Section 41.18 of the LA Municipal Code restricts where individuals can sit, lie, sleep, or place personal property.

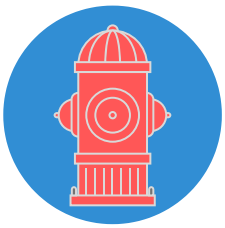

Keep at least 36 inches of sidewalk space clear to allow pedestrians and persons in wheelchairs or who use other mobility assistive devices to pass.

Keep 5 feet around doorways and 10 feet around loading docks and driveways clear.

Keep roadways and bike paths and lanes clear.

Keep 2 feet around fire hydrants clear.

For interim and permanent housing referrals, call LAHSA at (213) 225-6581 or 211 or visit LA-HOP-
